

We at Gifts from the Heart, LLC work hard to provide assistance to patients in nursing homes and assisted living facilities who suffer from Dementia and Alzheimer's and aim to improve their lives by providing them with necessary supplies.

Currently, we are working hard to raise money in order to bring supplies to as many nursing homes and assisted living facilities as we can, especially during this troubling time. That's why we are currently looking for sponsors and donations to help us reach our goal. We are hosting a golf fundraiser at TopGolf to raise money to provide as much assistance as we can to as many patients as we can. Please see the enclosed flyer to review our different sponsorship levels and how you can help us reach our goal.

Additionally, we are also looking for donations for the silent auction that will be held during the fundraiser. The silent auction will be most beneficial in helping us reach our goal and we would love for you to donate an item, a basket or even a service you provide to help it be successful.

Would you be willing to help us by sponsoring or donating to our project? Depending on the level of sponsorship, we can offer you recognition in our project's printed materials and signage by placing your advertisements and logos at the event.

Your generosity means the world to us. The support from our sponsors will help us host a successful event where we can achieve our mission of providing necessary supplies to patients in need. If we raise enough money, we can serve many elderly patients and improve their lives significantly. Imagine what we can do with your help!

We would love to discuss a relationship for this event, so please contact us if you'd like to get involved or have any questions about our organization.

Thank you so much!
